SUBJECT: 2009 Uniform Bail and Penalty Schedules (revise schedules)  
(Action Required)

---

Issue Statement

Vehicle Code section 40310 provides that the Judicial Council must annually adopt a uniform traffic penalty schedule for all nonparking Vehicle Code infractions. Under rule 4.102 of the California Rules of Court, trial courts, in performing their duty under Penal Code section 1269b, must annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for traffic infractions is established by the Uniform Bail and Penalty Schedules approved by the Judicial Council.

Recommendation

The Traffic Advisory Committee recommends that the Judicial Council, effective January 1, 2009, adopt the proposed 2009 Uniform Bail and Penalty Schedules.

The text of the revised schedules is set forth in Attachment A.

Rationale for Recommendation

Rule 4.102 of the California Rules of Court provides that trial court judges, in performing their duties under Penal Code section 1269b, must annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for nonparking Vehicle Code infractions is established by the Uniform Bail and Penalty Schedules (schedules) adopted by the Judicial Council.

Staff completed a substantive review of recent legislation and the schedules to ensure they are consistent with statutory authority and that the fines and penalties are accurate. New text in the proposal is underlined, and deleted text is shown with strikeouts. Because this proposed version is in a spreadsheet format that has limited capabilities for tracking changes, the proposed changes to numbers (dollar amounts, and numbering of notes) in the schedules are underlined, but the current numbers do not appear, except in the preface. All changes to base fines are underlined in the proposed schedules and identified below.

The Traffic Advisory Committee has reviewed the changes identified by staff as necessary to bring the schedules into conformity with current legal requirements and recommends that the council adopt the attached schedules with the designated revisions. The specific changes are as follows:

*State court construction penalty*

Senate Bill 1407 (Stats. 2008, ch. 311) amends the Government Code, effective January 1, 2009, to specify that the state court construction penalty amount authorized by Government Code section 70372(a) of \$5 for every \$10, or part of \$10, of a base fine, is used to calculate the penalty and total bail amounts. SB 1407 also amends Government Code section 70375(b) to provide for a reduction of the state court construction penalty by the amount collected for transmission to the transitional state court facilities construction fund pursuant to Government Code section 70401. Courts must calculate the penalty and the total bail amount using the full \$5 penalty amount if no revenue is transmitted to the fund under section 70401. The proposed schedules include revisions to reflect imposition of the full penalty in the introduction on page c and in the preface on pages iii–iv, section III; page vi, section IV.E; and page x, section VIII.

*Conviction assessment*

SB 1407 also enacts Government Code section 70373, which requires collection of a conviction assessment of \$35 per infraction and \$30 per misdemeanor in addition to the total bail for each offense. Section 70373 also requires collection of the conviction assessment in addition to the fee authorized by Vehicle Code section 42007 for attendance at traffic violator school.

The proposed schedules include revisions to reflect imposition of the conviction assessment in section IV.E on page vi, section VIII on page x, and section IX on page xi of the preface. There is also a footnote on each page of the schedules to indicate that the assessment is collected in addition to the total bail amount for each offense.

*Correctable offenses*

SB 1407 also amends Vehicle Code section 40611 to require collection of a \$25 fee for each infraction that is dismissed by the court with proof of correction. The determination of which offenses are potentially eligible for correction was considered

recently in *California Highway Patrol v. Superior Court* (2008) 158 Cal.App.4th 726 (hereinafter *CHP v. Sup. Ct.*). In *CHP v. Sup. Ct.*, the Court of Appeal, Sixth Appellate District, analyzed the authority to issue correctable citations for infraction offenses under Vehicle Code sections 40303.5 and 40610. The court held that an officer may determine that riding a motorcycle without wearing any helmet presents an immediate safety hazard and issue a noncorrectable citation. (*Id.* at p. 738.) In reaching its decision, the court analyzed section 40303.5 and determined that all registration, driver's license, and equipment offenses enumerated by section 40303.5 are potentially eligible for correction. (*Id.* at p. 736.) Under section 40610, a citing officer may issue a noncorrectable citation if the officer finds (1) there is evidence of fraud or persistent neglect, (2) the violation presents an immediate safety hazard, or (3) the violator does not agree to, or cannot, promptly correct the violation. If a citation does not specify that a potentially eligible offense is correctable, a court may infer that a noncorrectable citation was issued because of disqualifying circumstances. (*Id.* at p. 740.)

The proposed schedules are revised to be consistent with the *CHP v. Sup. Ct.* decision. In the Traffic Infraction Fixed Penalty Schedule all registration, driver's license, and equipment offenses that are potentially eligible for correction under section 40303.5 are listed twice. One entry provides the total bail amount for a noncorrectable citation, and another entry specifies the \$25 fee for the offense filed as a correctable citation upon proof of correction. The proposed preface to the schedules includes discussion of the \$25 fee in section V on page viii, section VIII on page x, and section X on page xi of the preface. Two endnotes in the Traffic Infraction Fixed Penalty Schedule reference the case.

#### *Other proposed changes*

Proposed revisions for the 2009 schedules also include the following:

1. Revision of section III.A on page iii of the preface to reflect the full \$5 state court construction penalty on each \$10 of the base fine as provided for in SB 1407;
2. Revision of section III.B on page iv of the preface, about the state court construction penalty under Government Code sections 70372(a) and 70375(b), to delete the chart of county adjustments to the penalty under present law that will no longer apply effective January 1, 2009;
3. Revision of section IV.B on page v of the preface to clarify that suspension of sentences under Penal Code section 1203b is part of granting a conditional sentence;
4. Revision of section IV.C on page vi of the preface to provide information regarding Streets and Highways Codes section 97.5, enacted by SB 1419 (Stats. 2008, ch. 121). Effective January 1, 2009, section 97.5 creates new safety

enhancement—double fine zones on State Highway Route 1 between Junipero Serra Boulevard and Lake Street and between Golden Gate and Lyon Streets in San Francisco;

5. Revision of section IV.E on page vi of the preface to provide information regarding the criminal conviction assessment under Government Code section 70373 enacted by SB 1407, effective January 1, 2009;
6. Revision of section IV.H on page vii of the preface to provide notice that the court security fee and the criminal conviction assessment are collected in addition to and separate from the total bail amount for each offense;
7. Revision of section V on page viii of the preface to expand bail category 4 to include every offense that may be charged a \$25 fee for a dismissal with proof of correction;
8. In section VIII.D on page x of the preface, revision of the sample calculation of the fee for attendance at traffic violator school when there are multiple offenses. The two examples show the proper calculation where there are multiple offenses that are eligible for dismissal with completion of traffic violator school and that are eligible for dismissal with proof of correction. One example sets out the full bail, fees, and assessments for all four violations without traffic violator school or proof of correction. The other example sets out the reduced amount when traffic violator school is approved and proof of correction is accepted by the court;
9. Revision of section IX on page xi of the preface to add the new conviction assessment under Government Code section 70373 to the example of the late penalty under Vehicle Code section 40310. The conviction assessment is not included as part of the initial penalty in the calculation of the late charge because the assessment is not imposed for punitive reasons. The conviction assessment is collected as a separate amount;
10. Revision of section X on page xi of the preface as discussed above to include a discussion of *California Highway Patrol v. Superior Court* (2008) 158 Cal.App.4th 726, regarding offenses that are potentially eligible for correction;
11. Revision of section XI on page xii regarding proof of financial responsibility under Vehicle Code section 16028(e). Upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation are dismissed and no bail amount is collected. Under SB 1407, effective January 1, 2009, the transaction fee for each violation that is dismissed pursuant to section 16028(e) is increased from \$10 to \$25.

12. Revision of section XII on page xii of the preface to provide information on the disabled parking violations under Vehicle Code sections 22507.8, 22500(i), 22500(l), and 22522 that may be cited as infractions on notice to appear citations and are charged a conviction assessment of \$35 under Government Code section 70373 and an additional assessment of \$4.50 under Government Code section 70372(b) upon conviction;
13. Amendment of the Traffic Infraction Fixed Penalty Schedule to add or revise infraction offenses for violation of Vehicle Code sections:
  - 2818, traversing electronic beacon/flare/cone pattern set by public safety personnel;
  - 4463(e), unlawful act with clean air sticker;
  - 21221, motorized scooter requirements;
  - 21714(a), use of three-wheeled vehicle on or adjacent to striping or markers designating adjacent traffic lanes;
  - 21714(b), use of three-wheeled vehicle between two or more vehicles traveling in adjacent traffic lanes;
  - 23123.5(a), driving while using a wireless device to send, read, or write text communication; and
  - 23154(a), driving with blood alcohol level of .01 or greater while on probation for violation of Vehicle Code section 23152 or 23153;
14. Deletion of infraction entries for Vehicle Code sections 21227(b) and 34501.3(a), which are classified as misdemeanors under Vehicle Code section 40000.21(g). Section 34501.3(a) is listed in the Traffic Misdemeanor Bail and Penalty Schedule with a recommended base fine of \$200.
15. Amendment of the Traffic Misdemeanor Bail and Penalty Schedule to add misdemeanor offenses for violation of Vehicle Code sections:
  - 12517.45(a), unlawful operation of specified vehicle transporting pupils; and
  - 27573(a), willful failure to install ignition interlock device within required 30 days;
16. Addition of Vehicle Code sections 22450(a) and 23154 to the highway construction zone schedule;
17. Addition of Vehicle Code section 23154 to the safety enhancement zone schedule;
18. Addition of Fish and Game Code section 2000, unlawful taking of fish or wildlife, with a base fine of \$200;
19. Addition of infraction offenses under Fish and Game Code section 12000(a) for California Code of Regulations, title 14:

- 1.62, undersized fish;
  - 1.74, sport fishing report card and tagging requirement;
  - 5.80, white sturgeon;
  - 7.50, alphabetical listing of waters with special fishing regulations;
  - 27.90, white sturgeon;
  - 27.92, white sturgeon report card and tagging requirement for ocean waters;
  - 307, tree squirrels—season and area regulation;
  - 308, rabbits—season and area regulation;
  - 311, weapons or methods authorized; and
  - 507, waterfowl—method of take;
20. Addition of misdemeanor offenses under Fish and Game Code section 12000(a) for California Code of Regulations, title 14:
- 1.74, sport fishing report card and tagging requirement;
  - 5.80, white sturgeon;
  - 7.50, alphabetical listing of waters with special fishing regulations;
  - 27.90, white sturgeon; and
  - 27.92, white sturgeon report card and tagging requirement for ocean waters;
21. Increase of the base fine to \$10,000 for a misdemeanor violation of Business and Professions Code section 6980.10, operating as a locksmith without a license; and
22. Renumbering or addition of citation subsections and modification of negligent operator point counts to reflect recent changes.

*Countywide bail schedule*

Penal Code section 1269b requires judges in each county to adopt a countywide bail schedule for misdemeanor and infraction offenses, except Vehicle Code infractions, which are set by the council's schedules unless they are exempted by Penal Code section 1463.28. Under section III of the preface to the schedules, courts are required to determine the county penalty that applies to the county and substitute a penalty and total bail amount, if necessary, that applies when adopting a countywide schedule. The bail amounts in the Judicial Council's schedules are calculated by using the maximum county penalty amount authorized by Government Code section 76000 of \$7 for every \$10, or part of \$10, of a base fine.

The proposed schedules are prepared in an electronic spreadsheet database format. The database format enables a court to easily recalculate its countywide bail schedule by using the county penalty amount and emergency medical services penalty amount under Government Code section 76000.5 that applies to the county. The spreadsheet format enables courts to easily recalculate the penalty and total bail and adopt a uniform countywide bail schedule as required by Penal Code section 1269b.

Adoption of the 2009 Uniform Bail and Penalty Schedules will conform the schedules to new legislation and promote uniformity in bail and penalty assessments by facilitating adoption of revised countywide bail schedules that fully incorporate the council's schedules.

#### Alternative Actions Considered

No alternatives were considered. Annual revision of the schedules is required by statute and by rule 4.102.

#### Comments From Interested Parties

The proposed 2009 Uniform Bail and Penalty Schedules were circulated for statewide comment from October 22 to 31, 2008. Of the nine comments received, six agreed if the proposal were modified, one did not agree, and two did not indicate a position. The comments and the committee's responses are attached at pages 8–18. The modifications requested in the comments have been incorporated into the proposed schedules whenever appropriate. The attached chart discusses the committee's rationale for not incorporating a small number of recommended changes into the schedules.

The Department of Fish and Game requested revision of the schedules to add several offenses regarding endangered species, such as sturgeon, with enhanced fines. In response to the comment and to improve uniformity of recommended fines for violations of regulations adopted under the Fish and Game Code the requested offenses were incorporated into the proposed schedules. The recommended "Total Bail" is consistent with the amount set forth for numerous violations of regulations adopted under the Fish and Game Code. Local countywide bail schedules may adopt a different recommended fine, and judicial officers have discretion to raise or lower the fine in individual cases.

#### Implementation Requirements and Costs

Implementation of the schedules will require reprogramming of case management systems and training of judicial officers and court staff to ensure that changes in penalties and fees specified in SB 1407 are imposed correctly. The electronic database format should significantly reduce the time and effort required by courts to update penalty assessment and total bail amounts for countywide bail schedules.

The overall statewide fiscal impact is projected to be positive because of significant increases in penalties, assessments and fees for all criminal offenses, including traffic violations. To some degree, the increase in penalties, assessments, and fees imposed may be reduced by failures to appear by defendants, waiver or reduction by judicial officers, increased litigation by defendants who contest cases, or costs in collecting judgments.

2.	California Department of Fish and Game by Rob Allen, Assistant Chief	AM	<p>Through the years there have been changes in rules and regulations concerning fishing and hunting. Some of those changes were made due to the illegal commercialization of the fish and wildlife as well as some of the specific species populations declining. Both the decline in populations, as well as the illegal black market of species are two viable reasons to have severe penalties for specific violations concerning those targeted species.</p> <p>Two species of concern are salmon and sturgeon. Both of these species have seen their populations decline in the past several years. This year the Fish and Game Commission prohibited the take of salmon in most of the ocean waters off of California as well as their take in inland waters, specifically the Delta waterways. Although the catching and keeping of these salmon is illegal, there are still people taking the salmon. Adult female salmon in the rivers are desired for their roe. The roe is illegally sold for both food and bait on the black market. In the spring, as the small</p>	Please see response below.

By using the fry as bait, the angler saves money for bait that can cost hundreds of dollars if someone targets sturgeon or stripers often. It is not uncommon to find a group of illegal anglers in the late winter and early spring, possessing hundreds of salmon fry in an ice chest to be used as bait.</p> <p>Recently, the Fish and Game Commission also tightened the slot size limit for white sturgeon and also added the requirement of a punch card and sturgeon tag to limit and track the number of fish taken. The reason for this was to give the larger female fish an opportunity to travel up stream and spawn. Large female sturgeons are targeted for their roe and meat. A large female sturgeon containing eggs may have a black market value of \$2,000 or more depending on its size.</p> <p>The crimes involving both of these species as it relates to the general illegal take and possession of both salmon and sturgeon is covered under the FG 12000 penalty section.</p> <p>It is my request to add the following sections and</p>

5.	Cheryl Kanatzar Deputy Executive Officer Superior Court of Ventura County	N	While I understand what the proposed change is attempting to accomplish with regards to the state budget, imposing a “conviction fee” on top of our already expensive fines and fees will not result in the desired outcome. People are already struggling with our economy and charging additional fees will result in larger court calendars, with fines and fees ultimately being reduced and/or waived, and court staff having to deal with more irate customers at the counters.	The proposed schedules are revised to incorporate increased penalties and fees mandated in SB 1407, effective January 1, 2009. Courts may address concerns that higher bail and traffic violator school fee amounts may cause an increase in court appearances by offering defendants installment payment plans at the clerk’s window using Judicial Council forms TR-300, <i>Agreement to Pay and Forfeit Bail in Installments</i> , and TR-310, <i>Agreement to Pay Traffic Violator School Fees in Installments</i> .

The Fish and Game Bail and Penalty Schedule provides recommendations for standard fines imposed on individual Fish and Game Code violations. The \$15 penalty for Fish and Game Code violations discussed in section IV.E on page vi of the preface is expressly set under F&G 12021 and is imposed per case and not per offense.

**Rule 4.102. UNIFORM BAIL AND PENALTY SCHEDULES**

**TRAFFIC, BOATING, FORESTRY, FISH AND GAME,  
PUBLIC UTILITIES, PARKS AND RECREATION, BUSINESS LICENSING**

The Judicial Council of California has established the policy of promulgating uniform bail and penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to ensure the presence of the defendant before the court. Under Vehicle Code sections 40512 and 13103, bail may also be forfeited and such forfeiture may be ordered without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, the trial court judges, in performing their duty under Penal Code section 1269b to annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions, must give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code will be established by the Judicial Council in accordance with Vehicle Code section 40310. Judges must give consideration to requiring additional bail for aggravating or enhancing factors.

After a court adopts a countywide bail and penalty schedule, under Penal Code section 1269b, the court must, as soon as practicable, mail a copy of the schedule to the Judicial Council with a report stating how the revised schedule differs from the council's uniform traffic bail and penalty schedule, uniform boating bail and penalty schedule, uniform fish and game bail and penalty schedule, uniform forestry bail and penalty schedule, uniform public utilities bail and penalty schedule, uniform parks and recreation bail and penalty schedule, or uniform business licensing bail and penalty schedule.

The purpose of this uniform bail and penalty schedule is to

1. Show the standard amount for bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture instead of further proceedings; and
2. Serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the boating, fish and game, forestry, public utilities, parks and recreation, and business licensing bail and penalty schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are six months in the county jail or a fine of \$1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

The bail amounts in the Uniform Bail and Penalty Schedules are calculated using the [maximum state court facilities](#) construction penalty amount authorized by Government Code section 70372(a) of \$5 for every \$10, or part of \$10, of base fine. Government Code section 70375(b) [requires provides for](#) a reduction of the [state court facilities](#) construction penalty by the amount collected for [deposit transmission into the local transitional state courthouse facilities](#) construction fund pursuant to Government Code section ~~76100~~ [70401](#). ~~The reduced court facilities construction penalty amounts that~~ [Where no revenue is transmitted to the fund under section 70401](#), courts must use [the full \\$5 penalty amount](#) to calculate that penalty and the total bail ~~are set out in section III(B) on page iv of the preface~~.

## PREFACE

### I. Section and Offense

- A. Historically, only those offenses most often filed in municipal courts were included in the Uniform Bail and Penalty Schedules. Penal Code section 1269b and Vehicle Code section 40310 require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November 1992.
- B. The letter “M” designates a misdemeanor: a crime punishable, at the discretion of the court, by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding \$1,000 or by both (Penal Code section 19).
- C. The letter “I” designates an infraction: a violation of a law not punishable by imprisonment, but by a fine generally not exceeding \$100 for violations of the Vehicle Code (Vehicle Code section 42001) or \$250 for violations of other codes (Penal Code section 19.8).

### II. Base Bail

The “Base Bail” indicated is the amount from which the “additional penalties” required by Penal Code section 1464.5; Government Code sections 70372, 70375, 76000, 76104.6, and 76104.7; the surcharge required by Penal Code section 1465.7; and the penalty authorized by Government Code section 76000.5 are calculated.

### III. Additional Penalties and Surcharge

- A. An “additional penalty” of between \$19 and \$24 (\$10 state penalty required by Penal Code section 1464; state court facilities construction penalty of ~~between \$0 and~~ \$5 required by Government Code section 70372(a), as modified by Government Code section 70375(b); a DNA Identification Fund penalty of \$2 required by Government Code sections 76104.6 and 76104.7; and a county penalty of up to \$7 required by Government Code section 76000(e)) shall be levied upon every \$10, or part of \$10, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses. The “additional penalty” may increase by \$2 for every \$10, or part of \$10, of the base fine if the county board of supervisors elects to levy an emergency medical services (EMS) penalty assessment under Government Code section 76000.5.
- B. Government Code section 70372(a) requires imposition of a state court construction penalty on every fine, penalty, or forfeiture collected by the courts for criminal offenses, including, but not limited to, all offenses, except parking offenses, as defined in Penal Code section 1463 ~~and, involving~~ violations of the Fish and Game Code and Vehicle Code or local ordinances adopted pursuant to the Vehicle Code. Section 70372 specifies a maximum state court construction penalty of \$5 for every \$10, or part of \$10, of the criminal fine, penalty, or forfeiture, ~~unless reduced under~~ Government Code section 70375(b). ~~specifies that the \$5 court construction amount authorized by section 70372(a) is reduced by the amount, determined by the county board of supervisors, collected for deposit into the local Courthouse Construction Fund established pursuant to Government Code section 76100. For violations committed on or after July 1, 2007, the court construction penalty amount in a county without bonded indebtedness for court facilities is increased by the ratio of the square footage of court facilities transferred from the county to the state to the total court facility square footage in the county. The court construction penalty amount applicable to each county that should be used to calculate that penalty and the total bail is as follows:~~

~~If a county board of supervisors specified by resolution a contribution to the Courthouse Construction Fund that differs from the amount of the reduction specified above, the court should use the amount specified by resolution to calculate the reduction.~~

- C. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of “additional penalties” is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the “additional penalties” shall be reduced in proportion to the amount of suspension.
- D. Penal Code section 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to 20 percent of the base fine used to calculate the state penalty assessment as specified in Penal Code section 1464(a). Penal Code section 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code section 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in section 1464.
- E. ~~For violations committed on or after July 1, 2007, i~~In counties without bonded indebtedness for court facilities, the county penalty assessment amount under Government Code section 76000(e) is decreased by the ratio of the square footage of court facilities transferred from the county to the ~~S~~state to the total court facility square footage in the county.

#### IV. Total Bail

- A. Effective January 1, 1989, the Judicial Council adopted a “Total Bail” concept in an effort to obtain statewide consistency in the “bail” policies of the courts. The indicated “Total Bail” is for the first offense, and it must be followed to the extent required by Penal Code section 1269b.
- B. Except as otherwise required by statute, [under Penal Code section 1203b](#), trial courts have discretion to suspend the minimum [sentence, including fines and penalties, and grant a conditional sentence](#) ~~under Penal Code section 1203b in infraction and misdemeanor cases.~~
- C. Except for the following exceptions, counties must adhere to the Judicial Council’s “Traffic Infraction Bail and Penalty Schedule<sup>22</sup> for infraction violations of the Vehicle Code (Penal Code section 1269b and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the “Total Bail” amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are

| 10. Lake        | 20. San Diego   | 30. Yuba        |

Additional exceptions result from two pieces of legislation that became operative on January 1, 1994:

- 1. Vehicle Code section 42001 allows universities and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.
- 2. Vehicle Code section 42009 requires that for any specified offense committed within a highway construction or maintenance area during hours when work is being performed, the fine shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Traffic Infraction Fixed Penalty Schedule. An appendix with the specified offenses listed and the enhanced amounts follows the Traffic portion of the bail and penalty schedules, starting on page [7290](#).
- 3. ~~Assembly Bill 112 (Stats. 2007, ch. 258) amended~~ Streets and Highways Code section 97, ~~effective January 1, 2008,~~

[which](#) provides for increased fines for a safety enhancement—double fine zone on the segment of Route 12 between the Route 80 junction in Solano County and [the](#) Route 5 junction in San Joaquin County. Streets and Highways Code section 97.4 provides for increased fines for a safety enhancement—double fine zone on Vasco Road between the Interstate 580 junction in Alameda County and the Walnut Boulevard intersection in Contra Costa County upon resolutions by [the](#) Alameda and Contra Costa County Boards of Supervisors. [Senate Bill 1419 \(Stats. 2008, ch. 121\) enacted Streets and Highways Code section 97.5, which designates State Highway Route 1 between Junipero Serra Boulevard and Lake Street in San Francisco and State Highway Route 101 between Golden Gate Avenue and Lyon Street in San Francisco as safety enhancement—double fine zones.](#) Under section 97, the base fine for any specified offense committed in the safety enhancement—double fine zone shall be double in the case of misdemeanors and, in the case of infractions, shall be one category higher than otherwise provided in the Uniform Bail and Penalty Schedules. Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling and shall not be based on the amount of the enhanced fine.

The “Categories” indicated in the Traffic Infraction Bail and Penalty Schedule under Vehicle Code sections 40310, 42009(a), and 42010 will be shown as “1a” and “1b,” “2a” and “2b,” “3a” and “3b,” and “4a” and “4b,” with the “b” subcategory referring to the violation when it is committed in a highway construction zone or safety enhancement—double fine zone.

- D. The “Total Bail” amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are suggested amounts, and their adoption by courts is not compulsory.
- E. The “Total Bail” amount indicated includes the base bail and those “additional penalties” required by Penal Code section 1464; Government Code sections ~~76000~~, 70372, [76000](#), 76104.6, and 76104.7; and the 20 percent surcharge on the base bail required by Penal Code section 1465.7. When authorized by the county board of supervisors, the “Total Bail” for a countywide bail schedule adopted under Penal Code section 1269b may also include an additional \$2 penalty under Government Code section 76000.5, enacted by Senate Bill 1773 (Stats. 2006, ch. 841), for every \$10, or part of \$10, of the base fine. Any other “assessment” adopted by a court—such as the assessment for “Night Court” (Vehicle Code section 42006) and “Administrative Assessments” (Vehicle Code section 40508.6)—shall be collected in addition to the “Total Bail.” The court security fee specified by Penal Code section 1465.8 [and criminal conviction assessment under Government Code section 70373](#) (enacted by [Assembly Senate Bill 47591407](#); Stats. ~~2003~~[2008](#), ch. ~~459311~~ [is are](#) also collected in addition to the “Total Bail.” Penal Code section 1202.4(b)(1) requires a minimum \$100 restitution fine as an assessment in addition to the “Total Bail” in every case where there is a misdemeanor conviction. Other mandatory assessments may also be applicable, especially in DUI cases.

Fish and Game Code section 12021 authorized a \$15 penalty to be collected in addition to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified. The \$15 additional penalty does not apply to violations punishable pursuant to Fish and Game Code section 12002.1(b) or 12002.2(b) or to any regulation relating to the wearing or display of a fishing license.

- F. “Total Bail” shall not exceed statutory limits. Vehicle Code section 40310 specifies that the “fine” amount of the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.
- G. In cases where a court appearance is required by a court, the amounts set forth in the Uniform Bail and Penalty Schedules do not necessarily indicate the appropriate total penalties; rather, they ensure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant’s obligations. Upon conviction, however, “additional penalties” are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and “additional penalties”) based upon the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only. A court may require a mandatory appearance for an infraction violation of the Vehicle Code when a statutory driver’s license restriction, suspension, or revocation is authorized;<sup>5.2</sup> community service or proof of payment or correction is mandatory;<sup>5.2</sup> or a violation requires specific action under the Vehicle Code in addition to a fine. This paragraph does not apply to violations of local ordinances based on Vehicle Code sections.

- H. The “Total Bail” for an offense *not specifically listed* in the Uniform Traffic Infraction Bail and Penalty Schedule is the amount set for the general category of that offense, unless a California code or regulation specifies otherwise. The court security fee and criminal conviction assessment are collected in addition to the “Total Bail.” The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Traffic Misdemeanor Bail and Penalty Schedule and the Uniform Boating, Parks and Recreation, or Business Licensing Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

	Base	+ Additional Penalties*	+ Surcharge	+ EMS PA*	= Total Bail/ <del>Penalty</del> *	(*See sections <u>II–IV</u> )
Misdemeanor	\$ 75	+ \$192	+ \$15	+ \$16	= \$298	
Infraction	\$ 35	+ \$ 96	+ \$ 7	+ \$ 8	= \$146	

The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Public Utilities Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is

Misdemeanor	\$185	+ \$456	+ \$37	+ \$38	= \$716
-------------	-------	---------	--------	--------	---------

The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Fish and Game or Forestry Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

Misdemeanor	\$100	+ \$240	+ \$20	+ \$20	= \$380
Infraction	\$ 35	+ \$ 96	+ \$ 7	+ \$ 8	= \$146

## V. **Bail Categories**

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses. The Judicial Council has

approved the following categories of bail/fine after considering suggestions from its Traffic Advisory Committee and the recommendations made by the National Center for State Courts:

		Base Fine	Additional Penalties*	Sur- charge	EMS PA*	Total (*See secs. II-IV) Bail*
Category 1	Bicyclist, motorized scooter, pedestrian, pocket bike, vehicle registration and equipment offenses	\$ 25 +	\$ 72 +	\$ 5 +	\$ 6 =	\$108
Category 2	Driver's license, operation of vehicle, and size and load offenses	\$ 35 +	\$ 96 +	\$ 7 +	\$ 8 =	\$146
Category 3	Substance abuse infractions, VC 2818, and VC 21706.5	\$ 70 +	\$168 +	\$14 +	\$ 14 =	\$266
Category 4	Miscellaneous offenses for which the penalties <a href="#">or fee for dismissal with proof of correction are</a> specifically set by the Vehicle Code, speeding offenses (refer to Speed Chart), and infractions pursuant to PC 19.8					

[If a citation does not indicate that an offense is eligible for correction under Vehicle Code 40522, a court may presume that the offense is cited as noncorrectable. \(See also California Highway Patrol v. Superior Court \(2008\) 158 Cal.App.4th 726, 740.\)](#) Vehicle Code section 14610.5(a) may be charged as either an infraction or a misdemeanor (Vehicle Code section 14610.5(b)). Penal Code section 19.8 permits the following offenses to be charged as either an infraction or a misdemeanor: Vehicle Code sections 12500(a), 14601.1, 23109(c), 27150.1, 40508, and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the Traffic Infraction Bail and Penalty Schedule. If the offense is charged as a misdemeanor, the recommended penalty is listed in the Traffic Misdemeanor Bail and Penalty Schedule.

## VI. Point Count

Vehicle Code sections 12810 and 12810.2 determine the amount of point count. The Department of Motor Vehicles establishes conviction point count based on statutory guidance and definition. Vehicle Code section 12810.5 defines a “negligent operator” based on point count. The Department of Motor Vehicles may take an administrative sanction against a person’s driving privilege based on “points” (Vehicle Code section 12810.5).

## VII. Prior Convictions

A. The base fine for one Vehicle Code moving violation that is assessed “points” on a current arrest or citation shall be enhanced by \$10 for each “prior” conviction within 36 months of the new alleged offense. For calculating the enhancement, both the current and “prior” offense must be a moving violation for which a “point” has been assigned per Vehicle Code section 12810 or 12810.2. Regardless of the number of moving violation convictions on a citation, only one “prior” per citation shall be counted in determining the enhancement on the current offense.

While Vehicle Code section 42001 references maximum fines within a one-year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering “prior” convictions for a longer period of time. The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce

Vehicle Code sections 12810 and 12810.5. These sections define the “point system” used by the Department of Motor Vehicles as prima facie evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

- B. In the case of an owner responsibility citation, the “prior” must relate to the particular vehicle for which the new offense is charged.
- C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to the Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.
- D. With the exception of parking, pedestrian, and bicycle offenses, Vehicle Code section 40508.6 authorizes courts to establish a \$10 administrative assessment collected with bail on subsequent offenses [for the purpose of](#) recording and maintaining a defendant’s record of “priors.”

**VIII. Traffic Violator School**

- A. Vehicle Code section 42007 provides that
  - 1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;
  - 2. Where multiple offenses are charged on a single notice to appear, the “total bail” amount collected is the amount applicable to the greater of the eligible offenses; and
  - 3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.
- B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.
- C. Vehicle Code section 42007.1(a) provides that a [\\$24 49](#) fee is to be added to the “total bail” of the offense eligible for traffic violator school diversion.
- D. Vehicle Code section 42005 prohibits drivers of commercial vehicles and drivers with a Class A, Class B, or commercial Class C driver’s license from attending traffic violator school to obtain dismissal of traffic violations. [Assembly Bill 645 \(Stats. 2007, ch. 161\), effective July 31, 2007, amended subdivision \(d\) of Vehicle Code section 42005\(d\) to exclude](#) violations of Vehicle Code sections 20001, 20002, 23103, 23104, 23105, 23140, 23152, or 23153, or 23103, as specified in section 23103.5, from eligibility for a dismissal for completion of traffic violator school.

## Sample Calculation of Bail, Traffic Violator School Fee, and Court Security Fee for Multiple Offenses

1. Violation of Vehicle Code sections 21453(a), 22108, ~~and~~ 24252(a), and 26707.
2. No prior convictions are charged.
3. “Additional penalties” of between \$19 and \$26 as set out in section III for every \$10 of base fine or ~~portion part~~ thereof plus the surcharge on the base fine:

AOC “Total Bail” Without Traffic School <u>or Proof</u>		Traffic Violator School and Correction Total <u>With Proof</u>

4. ~~If~~ the defendant is ordered to attend traffic violator school under VC 41501 for VC 21453(a) and VC 22108-; ~~per~~ per VC 42007 the defendant is charged for the greater/more severe of the qualifying offenses: VC 21453(a) @ \$380 plus the ~~\$24 49~~ \$24 49 TVS fee per VC 42007.1 (total of ~~\$404 429~~ \$404 429).
5. The charges of VC 21453(a) and VC 22108 are continued under VC 41501. The charges of VC 24252(a) and VC 26707 is are continued pending proof of correction, required under VC 40522 for dismissal.
6. The defendant presents to the court timely evidence that he or she has completed traffic violator school. The VC 21453(a) and VC 22108 violations are dismissed under VC 41501.  
~~If~~ the defendant submits to the court timely evidence under VC 40616 that the violations of VC 24252(a) and VC 26707 have been corrected-; ~~the~~ the VC 24252(a) and VC 26707 violations is are dismissed under VC 40522, ~~and~~ a \$1050 “transaction fee” is charged under VC 40611. The court security fee of \$40 is collected and distributed as required by Penal Code section 1465.8 for dismissal of VC 21453(a) and VC 22108 for completion of traffic violator school, and a criminal conviction assessment of \$70 is collected under Government Code section 70373.
7. The case is closed, with the court collecting ~~\$414 589~~ \$414 589 (\$380 + ~~\$24 49~~ \$24 49 + ~~\$10 50~~ \$10 50 + ~~\$40~~ \$40 + ~~\$70~~ \$70) plus ~~the \$40 court security fee and~~ any court assistance program (CAP) fee under VC 11205(m). Under VC 42006, courts that conduct night or weekend court may also collect an assessment of \$1.

### IX. Late Charge

Vehicle Code section 40310 requires the imposition of a late charge of 50 percent on any traffic penalties not paid within 20 days. The 20 days shall be counted from the mailing of a notice that the penalty has been assessed.

The initial penalty consists of the base fine-; an enhancement for prior convictions (if any)-; the state, county, and court facility construction additional penalties-; and the emergency medical services penalty, if authorized (Penal Code section 1464 and Government Code sections 70372, 70375, 76000, 76000.5, 76104.6, and 76104.7).

**Sample Calculation of Late Penalty**

**X. Offenses Eligible for Correction**

Under Vehicle Code section 40522, an officer arresting for violations specified in Vehicle Code section 40303.5 is required to specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed upon proof of correction. Certain offenses specified in Vehicle Code section 40303.5 are designated in the following schedule as [potentially](#) eligible for correction. The offenses designated in the schedule as [potentially](#) eligible for correction and those offenses specified by Vehicle Code section 40303.5 that are not contained in the schedule [are may be](#) eligible for dismissal with proof of correction if [the citing officer determines that](#) none of the disqualifying conditions of Vehicle Code section 40610(b) exist. ([See California Highway Patrol v. Superior Court \(2008\) 158 Cal.App.4th 726 \[riding a motorcycle without wearing any helmet presents an “immediate safety hazard” when an officer makes that determination and issues a noncorrectable citation\].](#)) Those disqualifying conditions [are present if an officer finds any of the following:](#)

1. Evidence of fraud or persistent neglect;
2. The violation [represents](#) an immediate safety hazard;
3. The violator does not agree to, or cannot, promptly correct the violation.

[If a citation does not indicate that an offense is eligible for correction, a court may presume that the offense is cited as noncorrectable. \(See also California Highway Patrol v. Superior Court, supra, 158 Cal.App.4th at p. 740.\)](#) Upon proof of correction of an alleged violation of section 12500 or 12951 or any violation cited pursuant to section 40610, Vehicle Code section 40611 authorizes courts to collect a \$~~1025~~ transaction fee for each [ease violation](#). No bail amount shall be collected.

In cases alleging violation of Vehicle Code section 4000(a), Vehicle Code section 40152 requires that proof of registration or proof of payment of the appropriate registration fees, or proof that the vehicle has been reduced to junk be produced in court before the offense can be adjudicated.

### ***XI. Evidence of Financial Responsibility***

Pursuant to subdivision (e) of [Vehicle Code](#) section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code section 40611 authorizes courts to collect a ~~\$40~~ [25](#) transaction fee for each [ease violation](#) that is dismissed pursuant to subdivision (e) of section 16028.

### ***XII. Parking Violations***

Assembly Bill 408 (Stats. 1992, ch. 1244), effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law violations as administrative offenses subject to a civil penalty. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, parking violations that cannot be cited as infractions have been removed from the Uniform Bail and Penalty Schedules. Vehicle Code section 463 defines “park” or “parking” as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers. Under Vehicle Code section 40225(a), equipment violations entered on a notice of parking violation are subject to a civil penalty established according to Vehicle Code section 40225(c). The Traffic Infraction Fixed Penalty Schedule includes Vehicle Code sections that may be cited for a stopping violation on a notice to appear that is signed by the driver. Under Vehicle Code section 42001.13, a violation of disabled parking provisions in Vehicle Code section 22507.8 may be cited as an infraction on a notice to appear. Under Vehicle Code section 42001.5, a violation of Vehicle Code sections 22500(i), 22500(l), and 22522 may be cited as an infraction on a notice to appear. [Senate Bill 1407 \(Stats. 2008, ch. 311\) enacted Government Code section 70373, which requires a conviction assessment of \\$35, and amended Government Code section 70372\(b\) to impose an additional assessment of \\$4.50 on each parking violation infraction conviction.](#)
