

**COUNTY COURT, PINELLAS COUNTY, FLORIDA**

**TRAFFIC DIVISION**

STATE OF FLORIDA,  
vs.

DAVID L. RAYNAL,  
Defendant.

CASE No. 9400228630M

---

**ORDER**

THIS CAUSE was before the Court upon Defendant's written Motion to Dismiss upon the grounds that Section 316.211 Fl. Stat. is unconstitutional. The Court having considered the matter, finds that the statute is overly vague and fails to give the average citizen sufficient notice of prohibited conduct, it is therefore

ORDERED AND ADJUDGED that said motion is hereby granted.

DONE AND ORDERED in Clearwater, Pinellas County, Florida this 8th day Of December, 1995.
